

The Mandala Center Cares About Guest Safety

In response to the Covid-19 virus we have taken the following steps...

❖ **Masks will be worn to protect our guests.**

Mandala Center employees will wear facemasks for your protection.

❖ **Meals will be served by our dining room staff.**

We will now be serving meals cafeteria-style rather than buffet-style. Only dining room staff will touch serving utensils, etc. Eating utensils will be individually wrapped in napkins. Guests will continue to bus tables.

❖ **UV-C Wand Disinfecting**

UV-C wands will be used by staff to assist in disinfecting keys, bedding, and all exposed surfaces.

❖ **Frequent Cleaning**

Staff will frequently disinfect surfaces regularly touched by guests such door handles, soap dispensers, counters, tables, and bathroom areas.

We ask our guests to remember to...

❖ **Wash and sanitize your hands often.**

Bottles of hand sanitizer are available in common areas as well as meeting spaces.

❖ **Practice Physical Distancing**

It is recommended to stay 6 foot apart when possible.

❖ **Wear a Mask**

We encourage our guests to comply with the New Mexico guidelines asking everyone to wear a mask in public.
